EASTER 2025 DO SOMETHING DIFFERENT

A PILGRIMAGE TO IONA THE HOLY ISLE OF SAINT COLUMBA 12TH MARCH TO 21ST APRIL

Walking through the Highlands and Islands of Western Scotland. A small community of pilgrims, bonded together for a journey spiritual and temporal.

100 miles, for 7 days, over windswept pass, down open glen, by sparkling loch & through crystal clear stream.

Sleeping in church halls, cooking for ourselves along the way.

A community of pilgrims, with many varied goals.
Bonded by a spiritual purpose, a common end.
Ecumenical in character, Christian in theme, Celtic
liturgy as the daily thread.
